

PRESIDENT: Senator Schmit.

SENATOR SCHMIT: Mr. President and members, very briefly, this is a resolution which I discussed with you briefly several days ago. The resolution is one which we have introduced here in response to a request by Iowa and Missouri to have an investigation of the impact of the federal farm program on the livestock industry and a cooperative investigation between the three states. I would recommend its approval. Senator Harris has indicated his interest and also serving as a member of the committee. I move for its adoption.

PRESIDENT: Senator Harris.

SENATOR HARRIS: Mr. President, I strongly urge that we adopt this resolution, make a statement and also because we are going to have a red meat conference, N, like in Nebraska, it is turning out to be an international conference in midsummer. This will accentuate that and maybe we can get some additional participation from the surrounding states in that conference. So I strongly urge the adoption of the resolution. Thank you.

PRESIDENT: If there is no further discussion on LB 445, the motion is to adopt that resolution. All those in favor vote aye, opposed vote no. Have you all voted? Record the vote.

CLERK: 34 ayes, 0 nays on adoption of the resolution, Mr. President.

PRESIDENT: The resolution is adopted.

CLERK: Mr. President, I have a new resolution.

PRESIDENT: Is this...

CLERK: Yes, sir.

PRESIDENT: May we have order in the Chamber, please. (Gavel.)

CLERK: Mr. President, actually it is a resolution that is signed by all 49 members and I must indicate to you that it is a pleasure for me to read it. (Read LR 446. See pages 2456-57 of the Legislative Journal.)

PRESIDENT: Senator Warner.
